

#VIRTUALHUNTER ART ACTIVITIES

Surprise Drawing

MATERIALS

- Paper
- Pencil

Use your imagination to transform random lines and marks into a drawing.

INSTRUCTIONS

1. Close your eyes, and make marks, squiggles, lines and more on the paper.
2. Now open your eyes. What do you see when you look at the paper?
3. Dive in and turn the squiggles into something amazing. Add color, have fun, and see what you come up with!

You can do this activity with a partner, too. Simply swap papers after step one, and create a drawing from their scribbles.
